We all were glad to be the part of the Cultural committee and work for the students. We simultaneously have gained the knowledge and experience of conducting various cultural events and programmes. It has helped us not only motivate students to encourage and ourselves to take part and manage Things.

## VOTE OF THANKS

The above mentioned events would have not been successful if we had not received the kind cooperation of the SFGC family i.e. our college students, faculty, teaching and non-teaching staff.

We are also thankful to our Principal Dr. S N Venkatesh sir for providing us full support and guidance.
