Online Education

1. Does all programs/courses were completed on time.	Yes
------------------------------------------------------	-----

2. Measures taken to complete the syllabus of courses and programs.		The complete, comprehensive teaching of syllabus to the full satisfaction of students, and its concrete manifestation in formative as well as summative evaluation is an indispensable aspect of effective curriculum delivery. In this institution, full and thorough teaching of the prescribed syllabus, revision and testing of course and programme outcomes are a fait accompli. Curriculum delivery entails the teaching, revision and testing of the prescribed syllabus in its entirety, and not a mere preparation for summative evaluation. More importantly, syllabus completion needs to ensure that students are well versed in all prescribed topics, given the fact that unless the syllabus prescribed for one stage of the programme is thoroughly understood, students will not be able to progress to the next stage. Proactive steps, measures and strategies are adopted, therefore, to ensure that no gap creeps in between curricular prescriptions and their delivery. The process begins with faculty recruitment which ensures that the requirements of personnel to teach every subject/specialisation is catered for. Work is assigned to faculty according to their specialisation. Every faculty member maintains a record of day- to -day teaching; faculty meetings are conducted to track the progress of every teacher. Heads of Departments countersign the work diaries. Faculty members apprise Heads of Departments about the status of syllabus coverage. In the unlikely event of any faculty member lagging behind, (s)he engages extra sessions. Allout efforts are made to ensure that syllabus is not only completed, but revised and evaluated as well. Principal elicits reports from all heads of Departments, and ensures that there is no failure of syllabus completion, besides collecting feedback about it from students. The excellent results in summative evaluation bears out the fact that syllabus completion is ensured.	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		2
